16. The Final Dividend on Equity shares for the financial year ended 31st March, 2020, as recommended by the Board, if approved and declared at the AGM, will be paid within 30 days of declaration, to the Members of the Company, holding shares in the dematerialized form and whose names appear in the list of beneficial holders as at the end of the business hours as on the record date, on Friday, 7th August, 2020.
17. Members are informed that the bank particulars registered with the respective Depository Participants (DP), with whom they maintain their demat accounts, will be used by the Company for payment of Dividend. Members are requested to update their banking details with the respective DPs, as per the process advised by your DP.
18. In case the Company is unable to pay dividend to any shareholder by electronic mode, due to non-availability of the details of the bank account, the Company shall upon normalization of the postal services dispatch the dividend warrants/cheque to such shareholders by post.
19. Pursuant to the provisions of the Companies Act, 2013, Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ('Rules') notified by the Ministry of Corporate Affairs effective September 7, 2016, all shares in respect of which dividend has not been paid or claimed by the shareholders for seven consecutive years or more would be transferred to the Investor Education and Protection Fund (IEPF) of the Central Government. The Company has no such shares on which dividend is unpaid or unclaimed dividend for a period of seven years that is required to be transferred to the Investor Education and Protection Fund(IEPF).
20. Members may note that as per the Income Tax Act, 1961, as amended by the Finance Act, 2020, dividends paid or distributed by the Company after 1st April 2020, shall be taxable in the hands of the shareholders and the Company shall be required to deduct tax at source (TDS) at the prescribed rates from the dividend to be paid to shareholders, subject to approval of shareholders in the ensuing AGM. The TDS rate would vary depending on the residential status of the shareholder and the documents submitted by them and accepted by the Company.
 - a. All Shareholders are requested to ensure that the below details are completed and/or updated, as applicable, in their respective demat account(s) maintained with the Depository participant(s), on or before the commencement of book closure from Saturday, 8th August, 2020 to Friday, 14th August, 2020 (both days inclusive).

Please note that the following details, in case you had already registered with the Company, as available with the Company in the Register of Members/Register of Beneficial Ownership maintained by the Depositories will be relied upon by the Company, for the purpose of complying with the applicable TDS provisions:

I. Valid Permanent Account Number (PAN).

II. Residential status as per the Income Tax Act, 1961 i.e. Resident or Non-Resident for FY 2020-21.

III. Category of the Shareholder viz. Mutual Fund, Insurance Company, Alternate Investment Fund (AIF) Category I and II, AIF Category III, Government (Central/State Government),

Foreign Portfolio Investor (FPI)/Foreign Institutional Investor (FII): Foreign Company, FPI/FII: Others (being Individual, Firm, Trust, Artificial Juridical Person, etc.), Individual, Hindu Undivided Family (HUF), Firm, Limited Liability Partnership (LLP), Association of Persons (AOP), Body of Individuals (BOI) or Artificial Juridical Person, Trust, Domestic Company, Foreign Company, etc.

IV. Email Address.

V. Residential Address

- b. For Resident Shareholders, TDS is required to be deducted at the rate of 7.5% under Section 194 of the Income Tax Act, 1961 on the amount of dividend declared and paid by the Company in the financial year 2020-21 provided valid PAN is registered by the Shareholder. If the valid PAN is not registered, the TDS is required to be deducted at the rate of 20% under Section 206AA of the Income Tax Act, 1961.

However, no tax shall be deducted on the dividends paid to resident individuals if aggregate dividend distributed or likely to be distributed during the financial year does not exceed ₹5000. Normal dividend(s) declared in the preceding financial year 2019 - 20 would be considered as the basis to determine applicability of the said threshold for the entire financial year.

Dear Fellow Shareholders,

It gives us immense pleasure to congratulate BCPL family in surpassing the Rs. 125 cr turnover mark and registering the highest business volume of its life amounting to **Rs. 127.16 cr** for 2019-20. With the support of our members, stakeholders, employees and our strategic management abilities we have been able to achieve commendable business volume. The year 2019-20 also witnessed BCPL being on the verge of completing various tough and challenging projects of Railway electrification. During 2019-20, BCPL endorsed new avenues of business opportunities by participating in various tenders of State Electricity Board. Our undaunted efforts and willingness would enable us to further expand our avenues and migrate BCPL on the Main Board of BSE Limited in the year 2020-21.

The year 2019-20 served as inspiration that would further encourage us to continue to strive for achieving higher milestones in the years to come, in our journey towards contributing to pollution free railway traction. A happier future for the country and the world at large, requires an efficient business environment which in turn emanates from a disciplined society of which we are a part. My entire team at BCPL is always striving to deliver electrification projects within the stipulated timelines, if not earlier, thereby winning the confidence and trust of the Railways. In our small way we are confident that we would be able to contribute towards fast reduction of pollution through the Electrification of Railway Traction, currently run by fossil fuels.

The year 2020 has witnessed an outbreak of Covid-19 pandemic, followed by the Government of India's Lockdown directions to prevent and contain the spread of the virus. BCPL being engaged in the activities of national importance, certain relaxations were provided by the Ministry of Home Affairs permitting us to resume operations at work sites maintaining all measures of social distancing, health & hygiene protocols.

Safety is of paramount importance in our area of work and we, at BCPL, are ever focussed on improving the safety of our workers and the safety of lives and property that are transported on the tracks electrified by us. During 2019-2020, we have reviewed our health and safety policy and framed the rules thereunder. A special monitoring cell has added new parameters in our safety related exercises and would continue to do so under the guidance of our experienced safety trainers. BCPL is taking utmost care of its staff and work force during the pandemic crisis period following all norms of sanitization, social distancing, mandatory mask wearing, thermal check before entry and maintaining proper hygiene. We are increasing the use of digital means in our business operation through virtual meetings at all levels, be it internal and/or client or stakeholders meetings.

BCPL has no liquidity concerns as we have sufficient Banking limits available.

Further the Ministry of Railways during the pandemic period, has taken extra initiative of releasing the Bank Guarantees against the running projects in proportion to the works completed, thereby providing further impetus to your Company's finances.

We consider our stakeholders as partners in our growth and as a token of acknowledgement of the same, our directors have already declared and paid interim dividend of Re. 0.40 per share and further decided to propose a final dividend of Re. 0.20 per share for the financial year 2019-20.

With these words, I would once again thank all our associates for deciding to be a part of our progressive journey and pray to God that everybody remains safe and sound and will overcome this difficult situation created by the Covid-19 pandemic.

Management Discussion & Analysis

Review of Economic Scenario and outlook

With the insurgence of the spread of Novel Corona virus (COVID-19) during the last quarter of the year 2019-20, and the lockdown measures adopted by the Government of India from March 25, 2020 till 31st May, 2020, the last quarter of the year 2019-20 witnessed a temporary slowdown. In 2019-20, the Indian economy grew by 4.2% against 6.1% expansion in 2018-19. In the final quarter of the year, that is January-March 2020, slower growth rate in the overall economy is reflected due to the impact of fear factor for COVID-19 pandemic. Further, slowdown in the last quarter of 2019-20, was due to the lockdown measures which began on March 25, 2020.

Economic activity continued to recover after the unlock 1.0 directions of the Government of India, with gradually increasing domestic demand and increase in consumption contributing to the overall growth.

In order to cater to the ever increasing consumption in the Indian Economy because of the inclusive nature of growth experienced in the last few years, the leadership of the Country has realised that the transportation sector has to be strengthened keeping in mind the dependence of the country on imported fossil fuels. Moving towards the 'Atmanirbhar' stance taken by the Government, Electrification of Indian Railways has been able to attract top priority from the Government because of its direct and indirect benefits for the country. As a result, this sector has been able to achieve stupendous growth in getting new routes electrified. Further the Government has also set a target of converting the Indian Railways into a 100% electrified service. The results of the Government's plans have started getting noticed which can be easily understood from the following data from the Central Organisation for Railway Electrification (CORE).

Growth in Electrification of routes in terms of Route Kilo meters (RKM) increased from 1174 RKM in 2015-16 to 3613 RKM in FY 2018-19. In FY 2019-20, 2606 RKM routes were electrified. The total tentative target for 2020-21 is set at 4000 RKM.

As of 1 April 2020, Indian Railways has electrified 39,866 route kms which accounts for 58.49% of total route kms and 62.65% of total broad-gauge route kms. It is planned to electrify all routes of IR by 2024 of their existing non electrified routes.

The aim of the Government is to make Indian Railways the growth engine of the economy. The

emphasis is on continued capacity enhancement through accelerated investments and execution. Five measures relating to Railways have been highlighted in Budget speech on Feb 2020.

- i. Setting up a large solar power capacity alongside the rail tracks, on the land owned by the railways. A proposal is under consideration.
- ii. Four station re-development projects and operation of 150 passenger trains would be done through PPP mode. The process of inviting private participation is underway.
- iii. More Tejas type trains will connect iconic tourist destinations.
- iv. High speed train between Mumbai to Ahmedabad would be actively pursued.
- v. 148 km long Bengaluru Suburban transport project at a cost of Rs 18600 crore, would have fares on metro model. Central Government would provide 20% of equity and facilitate external assistance up to 60% of the project cost.

To this end, Government has increased investment and introduced modern technology while focusing on safety, speed and service to passengers. Capex of Indian Railways for 2020-21 has been pegged at an all time high of Rs 1,61,042 crore. Capex for the year 2019-20 is Rs 1,56,352 crore (RE), which is 17.2% higher than the previous year. Electrification of the entire Broad Gauge network is to be completed by 2023-24.

The Indian Railways Railways also plan to induct latest technology for Signalling & Telecommunication system. Under modernization plan of Railway signaling system, it has been decided to implement Centralized Traffic Control (CTC) system on Indian Railways. This will increase operational efficiency. Government has initiated the upgradation of the decades old signalling system into an Automatic Train Protection System, which will be a mix of proven international technology as well as indigenously developed systems with an impetus to *Make in India*. Facilitating private participation in Railways to build a seamless national cold supply chain for perishables, inclusive of milk, meat and fish, the Indian Railways will set up a "Kisan Rail" – through PPP arrangements. There

shall be refrigerated coaches in Express and Freight trains as well.

The Government has adopted a holistic approach for reaping the benefits from electrification. This step of the Railways will help the country in saving precious foreign exchange in two ways. The requirement of fossil fuels for ignition of the Diesel Locos would come down and the cost of manufacturing fully new electric locos can be effectively reduced because of comparatively lower investments in converting diesel to electric. Further since the process would be indigenous, the country's 'Make in India' stance would also register substantial savings in foreign exchange.

Opportunities and Risks

Central Organisation for Railway Electrification (CORE) was set up in 1979 under Ministry of Railways with the prime objective of electrification of railway tracks under the Indian Railways. Almost 40 years since its inception; the organization is marching ahead in the field of electrification by contributing to 58.49% of total route kms and 62.65% of total broad-gauge route kms of total electrified sections of Indian Railway.

A lot of emphasis is given to Railway Electrification in recent years with a view to reduce the Nation's dependence on imported petroleum based energy and to enhance the country's energy security, with a vision of providing eco-friendly, faster and energy efficient mode of transportation. During the last five years, total 204 electrification projects consisting of 30964 RKM have been sanctioned by Government of India and keeping in mind the huge cost savings and considerable reduction in carbon foot print, Indian Railway has identified electrification of all BG routes as a mission area.

Total 38,000 RKM has been identified for electrification of BG network by 2021.

As per a study total greenhouse gases emission from electric traction will become less than the diesel traction from 2020-21 onwards.

A blue print has been prepared by Indian Railways to electrify network with an estimated annual saving of the order of savings of Rs. 13500 crore post 100% electrification. As per the analysis approximately 5.5 lakh man years will be

generated during execution period of Mission Electrification. It has been established that electric trains have several advantages over diesel-powered ones. These advantages include

- Reduced dependence on imported petroleum based fuels.
- It provides energy efficient friendly mode of transports besides improving the system throughput.
- Faster and environment eco-friendly.
- Reduced line fuel cost.
- Increased sectional capacity by about 18% due to higher average speeds.
- Reduced capital, operating and maintenance costs.
- Offers regenerative breaking resulting in saving of energy by around 20% in locomotives and around 30% in electric multiple units.

A Study by CORE has estimated that with 100% electrification of Indian Railways, a cumulative saving of ₹ 81000 crores would be realised by 2027.

Aided by the Government policy and initiatives your Company foresees a very bright future for organisations which are providing dedicated services for the Railway Electrification Eco System.

BCPL because of its focus on Railway Electrification has been able to carve a niche for itself in the field, whereby it has become a highly acceptable partner for the Railways. This has been possible because of the Company's focus on efficient execution management system.

Your Company is endeavouring to export related products outside India. Your Company is expected to cater to the needs of the importing countries by supplying them standard products with adequate quality checks.

Your Company is exploring new avenues of business opportunities by participating in various tenders of State Electricity Board.

With the surge in spread of Novel Corona virus (COVID-19), demand for sanitizers and other health care products is increasing. Your Company is venturing into a partnership business to manufacture the sanitizers and other health care products to cater to such demands.

Your Company faces fluctuation in prices of raw materials, unpredictable lead time in procurement of such supplies and increasing rates of freight. During the recent Covid 19 pandemic, availability of labour and their movement from one site to another within India following the health protocols is also a challenge for the Company. However, your Company is expected to mitigate such problems through efficient management and internal control system.

Operational Efficiency

Your Company is constantly directing its efforts towards efficiency enhancement in all fronts starting from administrative office to project locations.

Your Company has also started various programmes for training the work force in achieving improvements in micro level efficiency through training and workshops.

Your Company also encourages leadership skills amongst its employees which has helped maintaining a loyal and efficient work force.

The continuous lock down of more than 2 months would impact the revenue of the company in the short term. But with the help of better use of technology and staff productivity we hope to come out of the universal pandemic without a drastic negative impact.

Your Company's capital and Banking facilities remain intact. There are no liquidity concerns as your Company has sufficient unutilised Banking limits available. Even during the Lockdown period, your Company has been able to manage its resources and ensure collection of its receivables from the Indian Railways.

Further the Railways have taken the initiative of releasing the Bank Guarantees against the running projects in proportion to the works completed, thereby providing further impetus to your Company's finances.

Safety

Your Company has, as a policy, always strived to ensure safety and security of its work force. With a view to achieve this your Company constantly organises training programmes for educating about the ways and means of working under

strict safe conditions. Your Company procures the best safety gears comprising of helmets, safety belts and undertakes regular safety checks to ensure that the rules are followed. The Company has a dedicated safety officer to ensure compliance of the rules.

Quality Control

Your Company is aware about its responsibility in terms of delivery of safe Railway Electrification Eco System for the safety of lives and property that use the services of the Railways for meeting their transport requirements.

With a view to achieving the best standards in its construction efforts the Company has in place a system of checks and balances whereby the work performed by its employees is thoroughly checked by trained engineers in terms of safety standards set by the Railway Administration.

Further your Company has a system of identifying its vendors based on their credibility in terms of delivering quality products within committed time.

Your Company depends on vendors approved by RESEARCH DESIGNS & STANDARDS ORGANISATION (RDSO) for procuring equipment required in execution of projects. Considering the ambitious plans of the Government towards Railway Electrification, timely procurement may play out as a considerable risk in future. In order to mitigate the risk, your Company is constantly developing new vendor base so that any challenge on this front can be effectively dealt with in case an occasion for scarcity of supply of equipment arises.

Environment

The aim of your Company is to develop business while improving its environmental performance in order to create a more sustainable future. In order to achieve this, your Company continues to focus on measures for the conservation and optimal utilization of energy in all the areas of its operations. Work Sites are encouraged to consistently improve operational efficiencies, minimize consumption of natural resources and reduce water, energy consumption and carbon emissions while maximizing productivity.

Following the Covid 19 protocol, employees in work sites are encouraged to ensure that social

distancing and health and hygiene protocols are maintained.

Increasing the use of digital means in our business operation is encouraged by arranging virtual meetings at all levels, be it internal with the employees and work sites or Railway personnel, client or other stakeholders.

Health of Employees

Your Company recognises the importance of maintaining health of its employees who work away from home for considerable period of time. With a view to providing the best medical facilities to its employees, whenever required, your Company has tied up with Medical Insurance provider for its employees to avail the best medical attention without worrying about the cost.

In compliance of Government's directions to prevent and contain the spread of Novel Corona virus (COVID-19) and to ensure the health and safety of employees, associates and other stakeholders, your Company has resumed operations at work sites maintaining all measures of social distancing, health & hygiene protocols as per Government instructions.

Your Company is taking utmost care of its staff and work force like sanitization, social distancing, mandatory mask wearing, thermal check before entering the gate and maintaining proper hygiene.

Independent Auditor's Report

To the Shareholders of BCPL Railway Infrastructure Limited.

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **BCPL Railway Infrastructure Limited**. ("the Company"), which comprise the balance sheet as at 31st March 2020, and the statement of profit and loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial

statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we, based on the information and explanations given to us by the Management, are of the opinion that the Management of the Company is taking adequate steps to address the matters and the stance taken by the Management are not detrimental to the interest of the Company.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors' Report but does not include the financial statements and our audit report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India,

including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate **internal financial controls**, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the

economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. The company being a private limited company and also not meeting the criteria for internal financial control over financial reporting, we are not liable for expressing our opinion on whether the company has internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if

such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

We draw attention to the following matters in the Notes to the Standalone financial statements for which no provision has been made in the Accounts:

- a) Note No 30a. to the financial statements which describes the disputed demands in the matter of indirect taxes totalling Rs. 4,14,32,687 plus applicable interest.
- b) An Amount of Rs. 34,07,494 has been claimed by the Company as refund from Income Tax Department but the Income Tax Department has a counter claim of Rs. 42,65,938 against non credit of TDS as reflected in Note No. 30e to the financial statements.
- c) Provision for interest due to MSME against overdue amounts has not been made in the Accounts. The amount of Interest stands at 1,36,810.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account

- d. in our opinion, the aforesaid Standalone financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **“Annexure B”**.
- g. In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014:
- I. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note No.30 to the financial statements ;
 - II. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - III. There were no amounts which required to be transferred by the Company to the Investor Education and Protection Fund.

“Annexure A” to the Independent Auditors’ Report

Referred to in paragraph 1 under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the financial statements of the Company for the year ended March 31,2020.

- 1) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
- (b) The Fixed Assets have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the fixed asset has been physically verified by the management during the year and no material discrepancies between the books records and the physical fixed assets have been noticed.
- (c) The title deeds of immovable properties are held in the name of the erstwhile partnership firms M/S. Bapi Construction and M/S. U.K. Construction, which have been taken over by the Company w.e.f 01/04/2008.
- 2) (a) The management has conducted the physical verification of inventory at reasonable intervals.

- b) The discrepancies noticed on physical verification of the inventory as compared to books records which have been properly dealt with in the books of account were not material.
- 3) The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under section 189 of the Act. Annexure - B to the Auditors' Report Dated – 30/06/2020

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the the internal financial controls over financial reporting of **BCPL RAILWAY INFRASTRUCTURE LIMITED** ('the Company') as of 31-03-2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining Internal Financial Control based on "the Internal Control over Financial Reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the Design, Implementation and Maintenance of Adequate Internal Financial Controls that were Operating Effectively for ensuring the orderly and efficient conduct of business, including adherence to Company's policies, the safeguarding of its assets, the Prevention and Detection of Frauds and Errors, the accuracy and completeness of the Accounting Records, and the Timely Preparation of Reliable Financial Information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls over Financial Reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Control over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls System over Financial Reporting and their Operating Effectiveness. Our audit of Internal Financial Controls over Financial Reporting included obtaining an understanding of Internal Financial Controls over Financial Reporting,

assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of Internal Control based on the assessed risk. The procedures selected depend on the Auditor's Judgement, including the Assessment of the Risks of Material Misstatement of the Financial Statements, whether due to Fraud or Error.

We believe that the Audit Evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls System over Financial Reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's Internal Financial Control over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for External Purposes in accordance with Generally Accepted Accounting Principles. A company's Internal Financial Control over Financial Reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with Generally Accepted Accounting Principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's Assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent Limitations of Internal Financial Controls over Financial Reporting, including the possibility of collusion or improper management override

of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate Internal Financial Controls System over Financial Reporting and such Internal Financial Controls over Financial Reporting were operating effectively as at 31st March 2020, based on "the Internal Financial Controls over Financial Reporting criteria established by the Company considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India."

Notes to Financial Statements

Note No.1

SIGNIFICANT ACCOUNTING POLICIES:

1.1 Basis of Accounting

The financial statements have been prepared on a going concern basis under the historical cost convention, in accordance, in material respects, with the generally accepted accounting principles in India), the applicable Accounting Standards under sec 133 of the Companies Act, 2013, read with para 7 of the Companies (Accounts) Rules 2014 (as amended) and the relevant provisions of the Companies Act 2013("the 2013 Act") as applicable..

The Company follows mercantile system of accounting and recognises significant items of income and expenditure on accrual basis. Where it is not possible to determine the quantum of accrual with reasonable certainty e.g. insurance and other claims, refund of custom/excise duty etc., these continue to be accounted for on settlement basis.

1.2 Revenue Recognition

The Company follows the percentage of completion method, as per Accounting Standard -7 on "Construction Contracts" issued by the Institute of Chartered Accountants of India, to recognize revenue in respect of contracts executed. Contract revenue is accounted for on the basis of the bills submitted to clients/bills certified by the clients and does not include material supplied by the clients, free of cost. Other revenue and expenses are accounted for on accrual basis. Insurance premium is fully charged to expense account in year of payment.

1.3 Employee Benefits

(a) Short Term Employee Benefit

All employee benefit payable wholly within twelve months of rendering the services are classified as short term employee benefit. Benefits such as salaries, wages, short- term compensated absences, etc. and the expected cost of bonuss, ex-gratia are recognised in the period in which the employee renders the related services.

(b) Post- Employment Benefits

Defined Contribution Plans: The State governed provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid / payable under the schemes is recognised during the period in which the employee renders the related service.

1.4 Fixed Assets

Fixed assets are stated at original cost, including all incidental expenses incurred upto the installation and commissioning, net of tax/duty credits availed, if any, less accumulated depreciation, accumulated amortisation and cumulative impairment. Assets acquired on hire purchase basis are stated at their cash values, Specific know-how fees paid, if any, relating to plant and machinery is treated as part of cost thereof.

Significant Accounting Policies (Contd..)

1.5 Depreciation

Assets carried at historical cost:

Depreciation on fixed assets has been provided on SLM method on prorata basis over the useful life prescribed in schedule II to the Companies Act, 2013 after considering salvage value of five percent of original cost. The Company has considered useful life of assets same as prescribed under the Companies Act, 2013.

1.6 Impairment of Assets

An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value. Impairment loss is charged to Profit & Loss A/C. in the year in which the impairment is identified.

1.7 Investment

Long term investment are carried at cost, after providing for any diminution in value, if such diminution is of other than temporary nature. Current investments are carried at lower of cost or market value. The determination of carrying amount of such investments is done on the basis of specific identification.

1.8 Inventories

Inventories comprise of Work in Progress are valued , as under:

Project and construction related work-in-progress at cost till such time the outcome of the job cannot be ascertained reliably and at realizable value thereafter.

1.9 Borrowing costs

Borrowing costs that are attributable to the acquisition construction or production qualifying asset are capitalized as part of cost of such asset till such time as the asset is ready for its intended use. A qualifying asset is an asset that necessarily requires a substantial/period of time to get ready for its intended use or sale. All other borrowing costs are recognised as an expense in the period in which they are incurred.

1.10 Miscellaneous Expenditure

Preliminary expenditure/share issue expenses are being written off over a period of five years.

1.11 Segments Accounting

(a) Segment Assets and Liabilities

Segment assets include all operating assets used by a segment and consists principally of operating cash, debtors, inventories and fixed assets, net of allowances and provisions which are reported as direct offsets in the Balance Sheet. Segment liabilities include all operating liabilities and consists principally of creditors and accrued liabilities. Segment assets and liabilities do not include deferred income taxes, share capital, reserves, loans, investments, miscellaneous expenditure and profit & loss appropriation account. While most of the assets/liabilities can be directly attributed to the individual segments, the carrying amount of certain assets/liabilities pertaining to both segments are allocated to the segments on a reasonable basis.

(b) Segment Revenues and Expenses

All segment revenues and expenses are directly attributable to the segments.

1.12 Taxes on income

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the income Tax Act, 1961, and based on the expected outcome of assessments/appeals. Deferred tax is recognised on differences between the accounting income and the taxable income for the year, and quantified using the tax rates and laws enacted or substantively enacted as on the Balance sheet date. TDS claim for the year has been made on the basis of the Bills and documents placed before clients and same has not been fully reconciled with form No. 26AS.

Deferred tax assets are recognised and carried forward to the extent that there is a

reasonable certainty that sufficient future taxable income will be available against which such deferred assets can be realised.

1.13 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised for liabilities that can be measured only by using a substantial degree of estimation, if

- (a) the Company has a present obligation as a result of a past event,
- (b) a probable outflow of resources is expected to settle the obligation; and
- (c) the amount of the obligation can be reliably estimated.

Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of

- (a) a present obligation arising from events, when it is not probable that an outflow of resources will be required to settle the obligation,
- (b) a present obligation when no reliable estimate is possible; and
- (c) a present obligation arising from past events where the probability of outflow of resources is not remote.

Contingent Assets are neither recognised, nor disclosed.

Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.

1.14 Earnings Per Share

The Company reports Basic and Diluted Earnings per Equity Share in accordance with Accounting Standard – 20 issued by the Institute of Chartered Accountants of India. Basic Earning Per Share has been computed by dividing the net profit after tax attributable to Equity Shareholders by the weighted average number of Equity Per Share outstanding during the year. Diluted Earning Per Share is computed by dividing the net profit after tax attributable to Equity Shareholders by the weighted average number of equity shares and potential new equity shares outstanding during the year. For Basic and Diluted earning per share before extra-ordinary items, the amount of extra-ordinary items and tax thereon is excluded.

* BCPL was a partner in the Joint Venture. Because of lack of transparency on the part of the lead partner, BCPL has decided to withdraw from the Venture and write off the capital invested in the firm.

** The write back represents mobilisation advance received against which BCPL was unable to start work due to inability of the clients to provide the infrastructure in their scope. The management of BCPL is of the opinion that the transaction has surpassed the period of limitation and future claim, if any from the clients would not be enforceable in law.

*** Dues receivable by BCPL against projects/advances which are old and in the opinion of the management may not be recoverable.

34. a) The Company has accounted for liability on account of Indirect Taxes to the extent the management considers applicable to the Company.

b) Previous year figures have been regrouped/reclassified wherever necessary to correspond with the current year's classification/disclosure.

c) The Company has provided for Gratuity of Employees based on Actuarial valuation done by Life Insurance Corporation of India. The details of the Provision are as follows:
