

BCPL Railway Infra bags new project in Indian Railways

Kolkata, October 30, 2023: BCPL Railway Infrastructure Limited is delighted to update its esteemed stakeholders that the Company has received an Electrification project from **Eastern Railway, Electrical Division, Sealdah.**

This order has been received for the work of "25 KV PSI and allied electrical works in connection with "Sonarpur-Lakshmikantapur-Rehabilitation of Control & Relay Panels with provision of latest numerical type Relays of Sealdah South Section". The total project cost comprises of Rs. 16.06 million and it is expected to be executed over a period of 12 months.

Commenting on the same, Mr. Aparesh Nandi, Chairman said, "We at BCPL Railway Infrastructure Limited are pleased to inform our stakeholders on our recent order intake under Eastern Railway. The value of this order is Rs.16.06 million and we are quite optimistic about the pipeline of orders in the coming months and in near future also."

"Further works relating to Provision of 132/27 KV Standby Power Transformer, Single Phase at NMX TSS and GOGH TSS of Alipurduar Division under North Frontier Railway comprising of order value of Rs. 92.34 million is being commenced and is expected to be executed over a period of 12 months."

"We, at BCPL, have offered our unparalleled services contributing towards connecting the different parts of the country and are confident to continue serving the Indian Railway sector in future. We are quite optimistic about similar projects to come on PAN India basis. There is a constant flow of railway work including modification, laying of new lines, addition of 4th lines in the existing railway tracks, increase in the speed of existing railway lines and we are optimistic that there will be no paucity of work flow in the near future."
